**Re: Waste Collection Services Contract (C11-11-05)
City of Hamilton**

Dear Mr. Ardellini:

As Contract Administrator for the above noted contract, on behalf of the City of Hamilton, please accept this correspondence as my acknowledgement of the acceptable service that has been provided to date by National Waste Services Inc. Since the start of this contract in April 2006, I have found the National Waste staff, from the supervisory level to the collection and support group working on this contract, to be professional, courteous and eager to resolve issues that arise.

I look forward to the same degree of cooperation and good service for the remainder of this contract.

Yours truly,
